

## SMS Format For MEGAMB

---

The SMS Format of MEGAMB is to update the Market Price Data of various commodities from the markets by using SMS from a Registered Mobile Number.

*The Mobile No. for sending the SMS is 8119099899.*

### **SMS for Single Commodity:**

You can send an SMS from a registered mobile number to update the market price data of the market regarding on the quantity arrival, the Max price, the Min price and Modal price of a commodity in the megamb portal.

**The syntax for SMS is given below:**

MEGAMB<space> Market ID <Space> ID <Space> Arrival <Space> Unit <Space> Max Price <Space> Min Price <Space> Modal Price

For example, if you want to update the market price from Shillong(Iewduh) market for a commodity Rice with arrival of 5 Quintal, maximum price of Rs. 3000, minimum price of Rs 1000 and modal price of Rs. 2000. A sample SMS for this is shown below.

**MEGAMB 2050 59 5 q 3000 1000 2000**

The description is given below: -

**MEGAMB** – Keyword

**Market ID** – 2050 (the id of the market name as specified in Annexure I)

**ID** - 59 (the id of the commodity name specified in Annexure II)

**Arrival** –5 (Arrival quantity)

**Unit** – q (Quintal)

**Max Price** – 3000**Min Price** - 1000

**Modal Price** – 2000

### **SMS for Multiples Commodities:**

You can send **maximum four (4)** commodities in one SMS. Use **semi-colon (;) ONLY** to separate one commodity from another and **Do not** put a semicolon (;) for the last commodity.

For more details please see the syntax below:-

### **Syntax (for sending multiple commodities):**

MEGAMB<Space>Market ID<Space>ID<Space>Arrival<Space> Unit <Space> Max Price <Space> Min Price <Space> Modal Price; Market ID <Space> ID <Space> Arrival <Space> Unit <Space> Max Price <Space> Min Price <Space> Modal Price; Market ID <Space> ID <Space> Arrival <Space> Unit <Space> Max Price <Space> Min Price <Space> Modal Price

### **Example shown below:**

MEGAMB 2050 95 5 no 3000 1000 2000;2050 96 6 q 5000 3000 4000;2050 59 4 mt 6000 3000 4500

## SMS Format For MEGAMB

---

### Messages received after sending a SMS

The following messages will be received after sending an SMS :

1. On successful sending of the data, a message “***Data Saved successfully for Commodity ID: <ID No> on <date>***” will be received to the sender’s mobile.
2. On un-successful, an error message “***Error in saving data for Commodity ID on <date>. Please check the SMS format and resend***” will be received to the sender’s mobile.
3. In case of sending an SMS from an unregistered mobile number, an error message “***Your mobile number is not authorized to use this service***” will be received to the sender’s mobile.
